

國立嘉義大學九十四學年度轉學生招生考試試題

科目：英文作文

請將答案寫在答案卷上

Everyone knows that life is limited, but we live as if it were limitless, because we don't know when the ending is. If one day your doctor told you that you got cancer and had only a year to live, how would you spend the rest of your life? Some people may want to finish some important things, while others may want to do things they enjoyed. How about you? What would you do during your last year, and why? (100%)
