第17屆口筆譯教學國際研討會徵稿啟事

主辦單位:文藻外語學院翻譯系暨多國語複譯研究所

● 協辦單位:台灣翻譯學學會

● 日 期:民國 2013 年 3 月 22 日(星期五)

緣 起:

口筆譯教學研討會自 1997 年至今,一直是口筆譯領域專家學者彼此交流的最佳平台。舉凡教學經驗的分享、研究成果的發表,對國內翻譯實務及研究的發展貢獻良多。口筆譯教學研討會在輔大、長榮、師大三校輪流主辦下,已奠定穩固的基礎,文藻外語學院將承襲此研討會的傳統,於 2013 年舉辦「第十七屆口筆譯教學國際研討會」。主題訂為「翻譯的現實與衝突」,意在凸顯翻譯教學、研究與實務方面所涉及的問題。

翻譯研究、教學及現實之間時有衝突。翻譯研究者對現實中的翻譯問題常無有效的對策,而翻譯教學者所教授的翻譯方法有時與翻譯實務略有差距。現實中存在的翻譯問題迫使我們去思考翻譯的新面向,然而這些現實中存在的翻譯衝突卻是既複雜又多層面的。我們該如何因應這個狀況?本屆口筆譯教學研討會將以翻譯的現實與衝突做為會議主題,但我們也歡迎其他相關論文的投稿,為翻譯研究提供更多的面向。據此,第十七屆口筆譯教學國際研討會在前述主題之下,訂出下列五大子題,敬請學者專家踴躍賜稿。

Purpose:

Date

Since 1997, the International Symposium on Translation and Interpreting Teaching (ISTIT) has become the best platform for scholars and experts to share experience in the field of translation and interpreting. The symposiums have contributed greatly to the development of practice and research in Taiwan by sharing teaching experience and publishing research results. Held by turns by Fu Jen Catholic University, Chang Jung Christian University and National Taiwan Normal University (NTNU), the symposium has laid a solid groundwork for further development of translation studies. Following this tradition, Wenzao Ursuline College of Languages will host the 17th ISTIT in 2013, focusing on the theme of "Realities and Conflicts in Translation". The conference will concentrate on problems related to teaching, research and practice in translation and interpreting.

Conflicts are often found between translation research, teaching and the realities. From time to time, translation researchers have difficulties in finding effective solutions to solve translation problems in the practice of translation. The problems that exist in reality have thus urged us to find a new paradigm for translation and interpreting. However, the conflicts in the real world of translation are so complicated and multidimensional. What should we do to meet the challenges? While the symposium focuses on the theme of "Realities and Conflicts in Translation", it also welcomes other papers related to the theme to widen the research prospects in translation and interpreting studies. In accordance with the above-mentioned theme, we propose the following five topics of interest for further discussion. We are looking forward to your contribution and participation.
