

# 國立嘉義大學九十三年度外國語言學系 碩士班考試試題

科目：英語教學

Please answer each of the following questions **in English**.

1. What is portfolio assessment? Please discuss the advantages and limitations of using portfolio assessment in English teaching. (25%)
2. Storybooks have been considered as a powerful means of language teaching. Based on your understanding of good educational practice, what are the advantages and limitations of using storybooks in the EFL classroom? What should be taken into consideration when using storybooks? (25%)
3. Many parents hold a belief that students may benefit more if they have native-English speakers as their teachers. Do you agree? Considering the context of Taiwan, what may be the advantages and disadvantages for EFL learners to have a native-English speaker or a non-native English speaker as their teacher? (25%)
4. What is “task”? Please explain the features of a task and the relationship between tasks and CLT (communicative language teaching). (25%)
