

**Memorandum of Understanding between the Postgraduate (Master) Programme on  
Tropical Fisheries with International Linkage and National Chiayi University**

- (1) Whereas, National Chiayi University (hereinafter, referred to as NCYU) through the College of Life Sciences has expressed its intent to join the Postgraduate (Master) Programme on Tropical Fisheries with International Linkage (hereinafter, referred to as the Programme) and hoped acceptance of College of Life Sciences as a new member of the Programme;
- (2) Whereas, the Governing Council of the Programme during its 10th meeting on November 23-24, 2019 at Universiti Malaysia Terengganu, Kuala Terengganu, Malaysia, acknowledged, by collective opinion of the founding member schools that the College of Life Sciences, NCYU agrees with the purport of the Memorandum of Understanding for Establishment of Postgraduate (Master) Programme on Tropical Fisheries with International Linkage, and is capable to conduct the education with international linkage in accordance with the contents of the Common Rule of the Programme;
- (3) Therefore, pursuant to Paragraph 2 of Article 3 of the Common Rule of the Programme, the College of Life Sciences, NCYU is hereby admitted as a new member of the Programme;
- (4) Now, therefore, the Programme and NCYU agree that the Programme shall be composed of and managed by eight (8) post-graduate schools namely: the Faculty of Fisheries and Marine Sciences, Sam Ratulangi University, Republic of Indonesia; the Faculty of Fisheries, Kagoshima University, Japan; the College of Fisheries and Ocean Sciences, University of the Philippines Visayas, Republic of the Philippines; the Faculty of Fisheries, Kasetsart University, Kingdom of Thailand; the Faculty of Fisheries and Food Science, Universiti Malaysia Terengganu, Malaysia; the Department of Graduate Studies, Nha Trang University; Socialist Republic of Vietnam; the Faculty of Fisheries and Marine Sciences, IPB University, Republic of Indonesia; and the College of Life Sciences, National Chiayi University, Taiwan.
