

Course Structure of GMPLS

Thesis	6
Seminar(I/II)	2/2
Special topics in life sciences	3
Biostatistics	3

Thesis proposal	2
Progress report	2

Practical techniques and theory in life sciences (/II)	3/3
--	-----

Molecular medical research method	2
Principles of diseases and immunity	2
Community ecology	2
Advanced nutrition	2
Pharmaceutical residues in environment	2
Advanced landscape ecology	2
Scientific English writing	2
Methodologies in diseases and immunity	2
Theory and application of health food	2
Fish nutrition	2
Cell biology essentials and cell culture techniques	2
